2023 Updates

What's New!	Description	Release Date

Registration Form Builder
 	
`Virtual` `Hybrid` `In person`
 	
`Registration`
	This dynamic tool empowers event organisers like you to craft exceptional registration forms effortlessly. With a wide array of question types at your fingertips, you have the freedom to create tailored, engaging forms that cater to your unique event needs.
	
	More details: Customisation
	
	More details: Build the form
		October 2023

Registration Landing Page Builder
 	
`Virtual` `Hybrid` `In person`
 	
`Registration`
	This next Suite feature takes a familiar platform component and elevates it to new heights, we introduce to you the Registration Landing Page Builder. Designed with your event's success in mind, this feature offers great flexibility.
	
	More details
		October 2023

Email Templates
 	
`Virtual` `Hybrid` `In person`
 	
`Registration`
	This versatile tool empowers you to effortlessly craft and send targeted emails to invite users to register, issue reminders to those who haven't registered, and send confirmation emails to those who have.
	
	More details
		October 2023

Agenda Time Zone Options
 	
`Virtual` `Hybrid` `In person`
 	
`Event Platform`
	Imagine that you're running your event in London, with delegates attending from all around the globe. You want your Event App to show sessions in the event's time zone rather than the local time of each attendee.
	
	More details
		June 2023

Polling Results on the platform app
 	
`Virtual` `Hybrid` `In person`
 	
`Event Platform`
	With the increasing popularity of the Polling Feature and the introduction of Advanced Voting, the next logical step was to develop the ability to display the results to the platform users on the App.
	
	More details
		June 2023

Session Chat Images
 	
`Virtual` `Hybrid` `In person`
 	
`Event Platform`
	We are also thrilled to announce an enhancement to our Engagement Panel: the ability to upload images into the Session Chat. With this new feature, your delegates can effortlessly share visual content, making conversations more engaging and interactive.
	
	More details
		June 2023

Profile Pop-Up Card
 	
`Virtual` `Hybrid` `In person`
 	
`Event Platform`
	Now, attendees can access useful shortcuts directly within the pop-up card, making it easier than ever to send chat messages, schedule meetings or initiate video calls with other delegates.
	
	More details
		June 2023

Zoom Integration Upgrade
 	
`Virtual` `Hybrid`
 	
`Event Platform`
	We have also updated our Zoom integration, which is optimised with their latest SDK version. This update brings an easier integration experience (with only two fields, instead of four).
	
	More details
		June 2023

Abstract Module
 	
 `Virtual` `Hybrid` `In person`
 	
 `Event Platform`
	The Abstract Module allows you to organise your submissions into a list, making it easy to find and view the most relevant content. Each submission can be viewed on a detailed page, allowing for a comprehensive review of the document.
	
	 More details
		April 2023

Q&A Improvements: Response Field
 	
 `Virtual` `Hybrid` `In person`
 	
 `Event Platform`
	Allow speakers and admins to respond to questions in the platform app. There's no need to ever miss a question again!
	
	 More details
		April 2023

Intelligent Waiting List
 	
 `Virtual` `Hybrid` `In person`
 	
 `Event Platform`
	Now, delegates don't have to worry about missing their favourite sessions because they are full. With our waiting list feature, they can sign up for a full session, and we will automatically assign tickets that become available based on a queuing system. Clever, right?
	
	 More details
		April 2023

New & Improved Communications Section
 	
 `Virtual` `Hybrid` `In person`
 	
 `Event Platform`
	This final update is small but mighty. Firstly, we have reshuffled the new Dashboard and introduced a new tab: the 'Comms' section - giving email set up and alerts a new, easy to find home. Within this tab, we have also added a setting for you to decide whether your delegates are opted in or out of email communications and notification sounds by default.
	
	 More details
		April 2023

Agenda session re-design
 	
 `Virtual` `Hybrid` `In person`
 	
 `Event Platform`
	The Agenda Session page is the heart of the platform. It is the most crucial feature, and without it, the platform won't be able to fulfil its purpose. Due to its importance, we have decided it deserves a design lift.
	
	 More details
		February 2023

Personal Agenda re-design Virtual Hybrid In person Event Platform	The Personal Agenda page has also been given a facelift. Not only to the design but the functionality has also been extended to include delegates' upcoming meetings and the event organiser's managed agendas. More details	February 2023
Improved integration with personal calendars Virtual Hybrid In person Event Platform	.ics file attachments will be included in all meeting and favourited session email notifications, meaning your delegates can easily add in-app them into their chosen calendar. This way, even when away from the app, they will never miss any meetings or sessions. More details	February 2023
New & Improved Stream / Video Player Virtual Hybrid Event Platform	Your delegates can get timeline hover previews on this new player and keyboard control navigations when watching on-demand videos. The video player is also fully responsive and adaptive, ensuring that it will look great anywhere on the web, regardless of the device or connection. More details	January 2023
Agenda Autoplay Virtual Hybrid Event Platform	We are very excited to introduce our new Stream Autoplay feature. When enabled from the toggle in the Dashboard, your delegates will automatically be transported to their next favourited session once their current stream has finished. More details	January 2023
Exhibitor Self Edit Profiles Virtual Hybrid In person Event Platform	If you run events with hundreds of sponsors and exhibitors and find yourself spending days updating company info, logos and branding, we have a solution for you! More details	January 2023

Recurring Meetings Virtual Hybrid In person Event Platform	If you are using our platform as a long-term solution, this feature is for you! Your delegates can now arrange recurring meetings, with either a daily, weekly or monthly occurrence, via the Meeting Booking feature. More details	January 2023
