

Browser Requirements

Browser Requirements

Browsers must support WebGL. Browsers supported by the WebGLRenderer are:

- Firefox 15+
- Chrome 11+ (Recommended)
- Edge 99+
- Opera 19+

If you find that you still have trouble after checking the above, then please check [here](#) to see if your browser settings are also compatible.

Note: Safari is not currently supported.

Revision #27

Created 7 June 2021 12:51:21 by Steven Slessor

Updated 21 April 2022 13:30:48 by Steven Slessor
